*Concentration Course (3 credits) *Concentration Course (3 credits)	
5th year fall (18 MAT credits)	5th year spring (30 MAT credits)
*SCED 695 (6 credits) *SCED 667 Clinical 2 capstone (3 credits)	*SPED 631 (3 credits) *EDFN 627 (3 credits) /SCED 700: Comprehensive Exam (0 credit co-requisite with EDFN 627) *Concentration Course (3 credits) *Concentration Course (3 credits)

Liberal Learning – students with any ENGT major need 3 courses in addition to the ENGT major if they take LNG 202 as their linguistics course. Otherwise, they must take a 4th LL course that is a SCHP in place of their free elective. Students can take “Gender” and “Global” inside English major or Liberal Learning classes.

1. World Views and Ways of Knowing (philosophy, religion, etc.) **WVWK (can be gender or global)**
2. Quantitative Reasoning (math) **QR**
3. Lab Science (cannot substitute a non-lab science) **NS-Lab**

An English elective is any class with a LIT, CWR, or LNG prefix. Classes in other programs can be petitioned to be English electives, but only one English elective can be taken outside of the 3 English major prefixes. At least 5 English major classes must be taken at the 300 level or higher. Any ENGT student must select at least one American, one British, and one world literature class from among classes in literary history or among English electives. Many English classes can be taken out of order, but no one may take two LIT 499 classes at the same time, and LIT 102 is a pre-requisite for LIT 499.

A student always needs at least 11 English major courses and at least 32 course units to graduate with a BA. Three MAT classes can double count as free electives in the BA.
